Welcome Letter

Dear colleagues,

It is my great pleasure to welcome you at 7th annual meeting of the Lebanese Society for Osteoporosis and Metabolic Bone Disorders (OSTEOS) that will be held on November 27-28, 2015 at le Bristol Hotel, Beirut.

The osteoporosis is a disease that causes high morbidity and mortality, it interests many specialties: Endocrinology, Rheumatology, Orthopedic Surgery, Internal Medicine, Family Medicine, Geriatric...

This year, eminent international and local speakers will cover multidisciplinary topics like osteoporosis and its relationship with some diseases such as diabetes, thalassemia and inflammatory diseases.

This congress provides a unique environment; you can meet the colleagues from others specialties and exchange the ideas about osteoporosis, its diagnosis, its treatment...

I count on your active participation and I look forward to seeing you in November 2015.
